WEBSTER NIBLOCK SCHOOL NEWS

JANUARY 2012

Webster Niblock School Council

Happy New Year and welcome back! I hope everyone had a fantastic break and spent lots of time with your loved ones. We are back and ready for lots of good things in 2012.

On January 19th and 20th the Webster Niblock School Council will be working some difficulties getting parent volunteers to work this event. Hopefully, by the time this newsletter comes home we will have enough

volunteers to help. In case we do not, and you would be willing to donate your time to this great fundraiser, please call Deb at (403) 527-4752.

The next meeting of the Webster Niblock School Council will be January 12th(?), 2012 at 6:30. All parents are welcome to attend and we look forward to seeing new faces! As always, babysitting is provided free of charge, see you there!

Health and Wellness Committee

Thank you to all those who contributed and participated in December's Deck the Halls celebration and food bank collection! We collected over 800 food items for the Food Bank. The community group that collected the most food items and won an ice cream party was the Winner Whales. Congratulations!

On December 22nd, Webster Niblock students participated in a "Blizzard of Activity" outside. Classes rotated through 3

Character Ed. Committee

On each Wednesday of December all of the students were involved in AISI Wednesdays with Mrs. Hensel and Mr. Cowan. We talked about diversity, tolerance, and acceptance; as we are all special and unique in different ways. Students were involved in activities in the gym and then decorated a snowflake with their name on it. They cre-

Celebrate Family Literacy Day: January 27th

On Family Literacy Day Canadian families are invited to spend at least 15 minutes a day reading and learning. This could be reading a storybook together, playing word games, singing, writing to family or friends or assisting with writing out simple things like a grocery list.

Reading aloud helps children learn listening, vocabulary and language skills as well developing their imagination and creativity. Time spent reading together increases a child's reading skills, increases their sense

of security and gives them a sense of being worthwhile.

To encourage a lifelong reader parents should read to their child daily, have lots of books around, and to let your child see you reading.

For more activities families can do to make learning a part of daily life go to:
